WAR
SERVICE ROLL
OF
CITIZENS OF WESTMOUNT
WHO
SERVED IN THE WORLD WAR
1939-1945

PREFACE

WAR SERVICE ROLL

This War Service Roll contains the names of the citizens and employees of the City of Westmount, as well as those resident in Westmount for the greater part of their lives, who were on active service during World War 1939-1945, in His Majesty's forces or in the forces of an Allied Country. It also contains the names of those who served overseas in the Red Cross and the St. John Ambulance or Auxiliary Services, as well as of those flying in the service of the Transport Command of the Royal Air Force.

This Roll perpetuates in more permanent form the Honour Roll erected in Victoria Hall in the year 1944, which was compiled as an enterprise of the Westmount Municipal Association. Two plaques, each 14 feet long by 5 feet 5 inches high, were placed on either side of the main entrance in Victoria Hall. It contains the names of 2,804 persons of whom 281 were shown as having made the supreme sacrifice. Each name is stamped in gold letters on a brown fabricated strip seven inches long by five-eighths of an inch wide. The original Honour Roll was handed over to the City of Westmount for extension and maintenance at a public ceremony in October 1944.

*"Cleared the dark places and let in the law,
And broke the bandit holds, and cleansed the land."*

(IDYLLS OF THE KING)
