COMMISSION SUR LE SCHÉMA D'AMÉNAGEMENT ET DE DÉVELOPPEMENT DE MONTRÉAL

Land use of the Molson Coors Brewery site in the Ville-Marie borough Proposed amendments to the Montréal urban agglomeration land use and development plan to include mixed-use development

At its regular meeting of March 26, 2020, the urban agglomeration council adopted by resolution (CG20 0161) the draft by-law titled "*Règlement modifiant le Schéma d'aménagement et de développement de l'agglomération de Montréal (RCG 14-029)*" (by-law amending the Montréal urban agglomeration land use and development plan).

The draft by-law proposes amendments to the uses in the Montréal urban agglomeration land use and development plan to allow the conversion of land on the Molson Coors Brewery site to include a mixed-use development with housing. The amendment is part of the special planning program for the Quartier des Faubourgs in the Ville-Marie borough.

In accordance with section 53 of the *Act respecting land use planning and development* (CQLR, chapter A-19.1), the Commission sur le schéma d'aménagement et de développement de Montréal (the committee) must consult the Montréal urban agglomeration population when an amendment to the land use and development plan is requested. The consultation aims to inform the decision-making process of the elected officials who sit on the urban agglomeration council.
