

Work notice

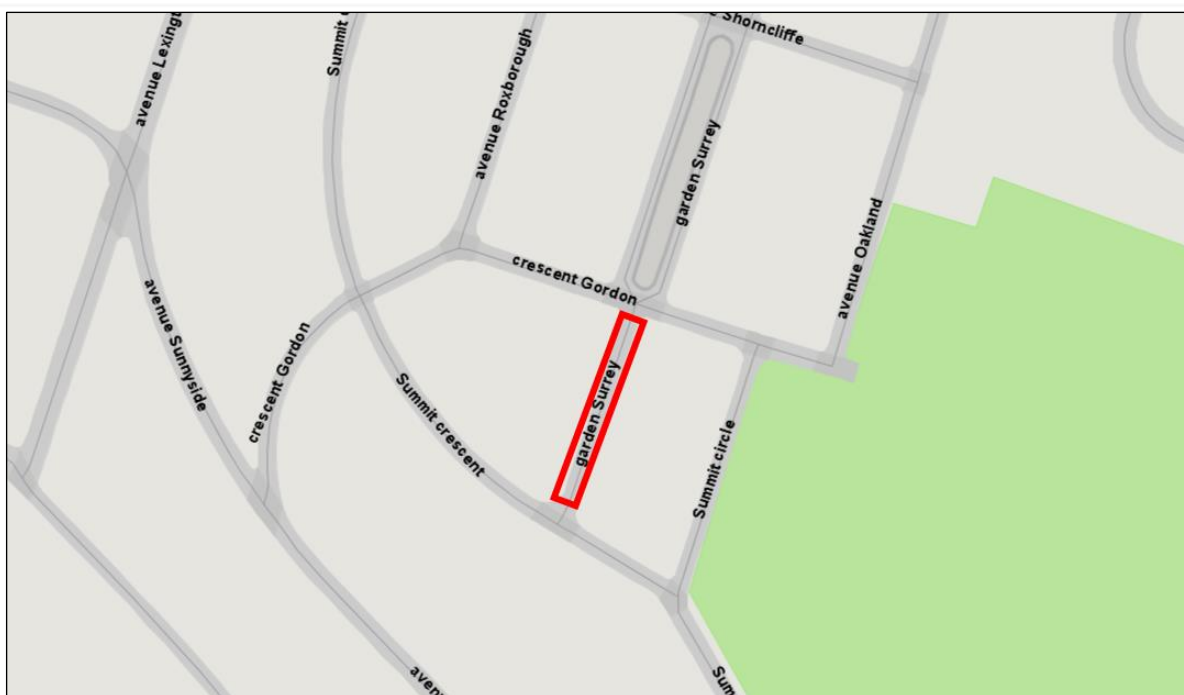

Scheduled date : week of September 30

Estimated duration : 1 month

Rehabilitation and reconstruction of valve chambers

Surrey Gardens, between Gordon Crescent and Summit Crescent

Traffic and parking

- Surrey Gardens : complete closure between Gordon Crescent and Summit Crescent. Local traffic permitted;
- Gordon Crescent : eastbound lane obstructed at the intersection of Surrey Gardens;
- On-street parking not available during the work;
- To ensure safety and optimize traffic flow during construction, please obey traffic signs (detours, local traffic, etc.).

Construction site information

- Hours : Monday to Friday, 7 a.m. to 7 p.m.

- Collections will continue as usual.
- Obstructed area: Please place your garbage cans in their usual location, clearly marked with your address. Containers that are inaccessible to garbage collectors will be moved by the contractor.

- For each project, a team of experts plans measures to mitigate the noise, vibrations, dust and odours caused by the use of tools and other equipment used during the project.

Interruption of the water supply

- Interruptions in the drinking water supply are planned. Notices will be distributed to affected homes 48 hours in advance.

Where is the site crew?

Managing site staff is an integral part of project planning. During stages that require a break (paint drying, concrete curing, asphalt cooling, etc.), or that are not carried out in the field (repairing a part, testing drinking water, etc.), staff are temporarily assigned to another project.
